October 2015

Hello! We are the new project workers for the Abbeyfield Community Project which is a group of churches working together to help make this area a great place to live. We are keen to get to know all our new neighbours and we have set up a Facebook group to communicate all of our events. If you have any ideas as to what you would like to see happen, or are willing to help at any event please contact us. Hope to see you soon!!

One Month in

It has been a month since we took over the reins of the Abbeyfield Project and it has been busy. We have been getting things set up and this has included updating the risk assessments as well as having the prayer room redecorated into a Pray & Play room. We have updated the project website and started a new Facebook page to communicate events.

With the help of our local councillor Dave Harris the mangled fence that was out the front of the house has been removed and we are in the process of updating and re modelling the community garden. We have also held our first coffee morning on the 25/09/2015 and raised £80 for MacMillan Cancer Trust.

The Community meal has continued and we have 4 families coming regularly and the children are enjoying the new converted Pray & Play room. Naomi has just relaunched the toddler group which will be a weekly event held every Friday. Along with other events planned by Dave Harris it is has been a good start.

Events

Weekly

Wednesdays – Community Meal at 17.30pm. Come and join us for a weekly meal with your neighbours as we share some good food and discussion along with some activities and free play for children.

Children in Need Coffee Morning 24/10/2015 10.00am

Following on from the successful coffee morning for MacMillan we will be doing another in October and look to make this a monthly event.

We will also be holding the final coffee morning this year on 21/11/2015. If you have any suggestions for charities or other good causes we could support through this event then please let us know.

Please let us know if you are coming to the pumpkin carving and/or the light party and how many people so we can make sure there's enough pumpkins etc. for everyone!
