Community Links

Go Forth and Propagate

We are putting the finishing touches to our ongoing garden project with CocoCare (www.cococare.co.uk) where over the last few months we have had various sessions to revamp the back garden and hopefully create an enjoyable space for everyone.

Steps to Employment

We have recently teamed up with Christians Against Poverty (<https://capuk.org/>) to deliver a free course for all those interested in beginning or returning to work. If this is something you would be interested in for the future please get in touch.

Barnardo's

We run the Friday toddler group in partnership with Barnardo's children's centres and it is hoped we can build on these links in the future. Watch this space for any new activities!!
